VARIED PROGRAM BY CERRITOS AVENUE SCHOOL PUPILS

MRS. E. B. MOORE PRESIDES AT ASSOCIATION GATHERING; BUSINESS TRANSACTED

A very enthusiastic and well-attended meeting of the Cerritos Avenue Parent-Teacher association was held at the school Thursday afternoon, Mrs. E. B. Moore presiding. The program was given by the pupils of the A5 and B5 classes, and included a group of songs, which were delightfully rendered. Two playlets were also given by several children from both classes. Little Miss Devina Wood pleased the audience with a most fascinating dance. The fifth grade received a cake for having the most mothers present at the meeting.

Superintendent Richardson D. White was present and spoke about the mass meeting which was to be held that evening at the Intermediate school in regard to the congested condition of the city schools. Mr. White spoke especially of the need of an intermediate school in the southern part of the city.

Urges School for Truants

L. T. Rowley, probation officer of the Glendale schools, told of the need here of a special school to which truants and unruly boys might be sent and taught the fundamentals of good citizenship. He said that the first thing to be emphasized in this school would be attendance, next obedience, and third profitable employment. An effort would be made to engage the boys in strenuous play that would keep them physically fit.

An announcement was made that there would be a candy sale at the school next Thursday noon.

Nominating Committee

A nominating committee was appointed to elect officers for the next year. This committee consists of Mrs. T. B. Curtis, Mrs. E. U. Emery, Mrs. P. Priaulx and Mrs. Haynes. Delegates to the First District convention, to be held April 28-29 at the

(Continued on Page 3)

Louise Hoyt Gives Classmates Party

Louise Hoyt, daughter of Mr. and Mrs. Charles F. Hoyt of 805 North Central avenue, entertained her classmates of the A6 grade of the Central avenue school from 4 to 6 o'clock yesterday afternoon in celebration of her 12th birthday anniversary. Games were played and refreshments served.

The guests were Edith Farwell, Francis Farwell, Evelyn Rockwell, Ruth Campbell, Janet West, Ruth Harwood, Virginia Caldwell, Winifred Hunt, Janice Brown, Opal Hopper, Elizabeth Walton, Eleanore Poore, Johanna Michel and Frank Michel. Decorations of pink and white were used. During the afternoon Ruth Campbell gave several fancy dances, which were very much enjoyed.

Honeymoon Hikers Winner Of Wager

LOS ANGELES, April 9.—F. M. Richards and his bride, "honeymoon hikers," who left Los Angeles on October 30, 1920, on a wager to walk to New York and return, with a total starting capital of $5 each, were back here today, almost a week ahead of their schedule.

"We lived up to the terms of our agreement not to beg, borrow or steal to get food or funds," Richards said. "I had to chop wood, shovel snow and do other jobs, while my wife acted as a dishwasher and nursemaid whenever she found opportunity."

On the return trip they left New York January 10, went to Boston and then "legged" west, following the Lincoln highway.

Mrs. Hammond Is Luncheon Hostess

Mrs. R. B. Hammond of 508 North Isabel street entertained at luncheon Wednesday in honor of her house guest, Mrs. Nellie C. Wright of Sioux Falls, S. D. Those present were Mrs. McNulty of Los Angeles, Mrs. William Ward and Mrs. Ledyard of Glendale. These ladies are old associates of Mrs. Wright. Carnations were the flowers used for decorations.

J. M. RHOADES BUYS HOME

Secretary James M. Rhoades of the Glendale Chamber of Commerce has purchased the John Bloss residence at 459 West Hawthorne street through the agency of the Glendale Realty company. He will proceed to improve the property and make his permanent home there.

Roy Mason Proves He's Real Salesman And Demonstrator

All dressed up and nothing to do but demonstrate an Eden electric washing machine to Mrs. John Robert White of 347 North Orange street.

That was Roy Mason, salesman for the Newton Electric Company, yeesterday morning.

"Oh, it's nice to get up in the morning," he hummed, as his Ford stopped in front of the White residence. He jumped out of the car, straightened his tie, dusted the cuffs of his English cut clothes and stepped sprightly around to the rear porch of the beautiful new home.

"Ready for the washer demonstration, Mrs. White?" he asked.

"Yes, indeed," she replied, "but I am too busy to do the washing. I'll watch you while you do it."

He did.

Real Gold Piece

Would a $5 gold piece surprise you?

It did the city building inspector's office force yesterday.

Not the amount of money, but the gold.

Ten years ago in Glendale you could not get paper money at the banks without an urgent request.

Today you can't get a gold piece without a plea that would win mercy from Justice of the Peace Cox at Santa Ana.

CALL MEETING FOR JUNIOR AUXILIARY TO MUSIC CLUB

YOUNG PEOPLE TO GATHER IN SPENCER ROBINSON HOME TO ORGANIZE TONIGHT

The Junior Auxiliary of the Glendale Music club, which will be for young people from 14 to 20 years of age, is to be organized tonight at the home of Mrs. Spencer Robinson, 1234 East Windsor Road.

All the young people interested in music are eligible for membership.

It is declared that Glendale is 100 per cent organized, musically, with five thriving organizations, all belonging to the California Federation of Music. They are the Madrigal club (women's choral), High School Girls' Glee club, Music Section of Tuesday Afternoon club, Glendale Music club and the Juvenile Glendale Music club, organized only one month.

It is stated that Glendale holds the record for the greatest number of federated music clubs of any city of its population in the state, and of any city of its size in the National Federation of Music.

Mrs. Williams Is Guest At Luncheon

Mrs. A. M. Williams of 208 South Orange street represented Mrs. C. E. Hutchinson, president of the Tuesday Afternoon club, at the Reciprocity Day luncheon at the Ebell club, Los Angeles, yesterday. Mrs. Charles H. Toll on behalf of the Ebell club welcomed the various representative visitors from among the federated clubs. Among the speakers of the afternoon were Sir Frank Popham-Young of London, Gertrude Atherton, Charles Towne, Mrs. Cordenia Severance, Dr. Mary van Waters, Mrs. Sidney Thomas Exley, Mrs. Josiah Evans Cowles, Mrs. Clarence Williams and Mrs. D. G. Stephens. A program of music and a costume revue was also a part of the entertainment.

Mrs. Charles Glover Hostess At Luncheon

Mrs. Charles Glover of 416 Myrtle street entertained yesterday with the second of a series of luncheons which she is giving. The guests were Mrs. Charles Willets of Ocean Park, Mrs. Charles Perkins, Mrs. F. C. Peters and sister, Mrs. Frank Hester, Mrs. G. D. Roach and Mrs. Alfred Muhleman. A beautiful large white basket filled with spring flowers, including iris, pink roses and daisies, formed the chief note of the decorations. Following the luncheon a social afternoon was enjoyed.

DECIDE ON WAGE REDUCTION

PORTLAND, Ore., April 9.—A 10 per cent reduction in wages of allied building trades, effective May 1, has been decided upon by the special arbitration committee representing the builders, workmen and public, according to announcement today by Dr. W. T. McElveen, chairman.

TABERNACLE READY FOR OPENING OF UNION MEETING

BUILDING WILL HOLD ABOUT 2000 PERSONS; APRIL 17 TO START CAMPAIGN

The big tabernacle for the John E. Brown union evangelistic meetings stands complete and ready for the initial meetings under the direction of the co-operating churches. It is an imposing structure covering the entire vacant space at the corner of Harvard and Orange streets.

Rev. Waterhouse, who has had charge of its construction, is well pleased with the splendid response of both men and women who have volunteered their services in construction and in furnishing meals for the workmen. The tabernacle will seat around 2000 and is provided with a choir platform that will seat 250 or more.

An inquiry room adjoins the structure and will seat 150. This room will be used nightly for those who profess their faith in Christ.

Eleven exits conveniently situated will permit the crowds leaving or entering without congestion.

The "sawdust trail" will be noticed at first glance, for the ground is covered deep with loads of sawdust which will mean comfort from cold and a leveling of the ground. The usual seats constructed of plain lumber fill the huge building. The lighting will be well distributed and high enough to permit no glare of lights.

To Be Used for Convention

The tabernacle will be turned over to the local Christian Endeavor committee for the coming state convention in June. Additions will be made to the sides so that 4000 can be accommodated in the building.

The Brown meetings will begin Sunday night, April 17, and continue over four Sundays, closing May 8. Committees in preparation are working to have everything in readiness for the first night. The fine impression left by Evangelist Brown when he held a tabernacle meeting here some six years ago assures a large hearing from the very first, the committee believes.

Costume Party Is Enjoyed By Guests

A costume party was given last night by Margaret Fife and Annie Fuelscher at the home of the latter, 237 South Orange street. The guests were dressed as Colonial dames, brides, maids, tramps, etc.

Early in the evening instructions were given for a peanut hunt. After about five minutes searching in vain, the guests were told that there were no peanuts hidden. Punch and toothpicks were then served, a garbage can being used as the container for the punch. After more games had been played salad was served the guests with spoons. Progressive rook was the next event enjoyed, after which ice cream and cake were served with forks.

The guests included Mildred Thompson, Josephine Farnham, Hope Ireland, Marian Clark, Phyllis Baker, Martha Eilers, Louise Hoyt, Helen Engle, George Stanley, Stephen Fairchild, Neil McIver, Clair Staley, Vivan Taylor, Harold Majors, Norman Nelson and Paul Edmonds.

Mr. and Mrs. M'Elroy To Leave For Eeast

Mr. and Mrs. W. W. McElroy of 510 South Adams street leave Monday for the east, where they will visit friends.

Mr. and Mrs. McElroy are going to Boston by way of New Orleans, Washington, D. C., and New York, and after a four or five months' visit at all of the principal cities in the east will return by way of Cleveland, Chicago and the northern route, part of the return trip being made by way of the Canadian Pacific.

MOTORISTS MAKE COMPLAINT

Motorists to La Crescenta and La Canada have complained to the Glendale Chamber of Commerce that a fruit stand along Verdugo Road extends out to the boulevard and that autos are forced to stop in the roadway. Yellow stop signs, advertising the stand, are also placed along the highway and in order to eliminate this danger the Chamber will refer the communication to the city authorities.

ENTERTAINS AT LUNCHEON

Mrs. C. G. Farrow and Mrs. C. F. Robinson of 214 West Doran street entertained at luncheon yesterday Mr. and Mrs. W. E. Gunnette and daughter, Mrs. Russell Evans and baby of Fullerton, and Miss Ida Eckel of Denver. Miss Eckel is the house guest of Mrs. Farrow for several days.

PRESIDENT HARDING MAKES DRAFT OF FIRST MESSAGE

SUMMARY OF SUBJECTS GIVEN BUT EXECUTIVE SILENT ON FOREIGN PLANS

By RAYMOND CLAPPER
United Press Staff Correspondent

WASHINGTON, D. C., April 9.—The rough draft of President Harding's first message to congress is nearly completed today. It is possible to give a summary of the subjects to be treated.

What Harding will say about foreign relations, however, remains for the most part, secret.

Harding will appear before a joint session of the senate and house Tuesday, the day after congress convenes. He decided on this course in the belief that it would give what he had to say more emphasis. His recommendations on domestic questions will include:

Foreign Trade—Additional legislation which will enable American business mento to enter foreign markets and compete to better advantage with citizens of countries which pursue an aggressive trade expansion policy is likely to be asked.

Soldier Relief—The Dawes report advocating consolidation of the war risk bureau with soldier relief sections of the board for vocational education and the public health service, and creation of a veteran's service administration, will be based on the president's recommendations.

Taxation—Repeal of the excess profits tax will be asked and possibly repeal of the soda water tax and other consumers' taxes will be urged. There is some doubt as to whether definite recommendation for tax revision will be made in the president's message or placed before congressional committees later by Secretary of the Treasury Nollon.

Tariff—Prompt action on anti-dumping and emergency tariff legislation is to be asked.

Railroads—President Harding is expected to limit himself to a general reference to the critical transportation situation and await the out-

(Continued on Page 4.)

LOCAL LEGION WILL ENTER ATHLETES IN CARNIVAL

MEN WILL BE PLACED IN BIG CONTEST TO BE HELD BY NATIONAL GUARDSMEN

Preparations were made at last night's meeting of the American Legion here to place men in the field for the athletic carnival to be staged Thursday, April 14, by the Fifth Separate Company, National Guard, "Glendale's Own," at the high school athletic grounds.

After the regular weekly drill of the guardsmen, to which the public is invited, there will be a basketball game, wrestling matches and boxing bouts.

The American Legion band may give its first concert of the season that evening, it was hinted.

More members are needed by the Legion and ways and means for getting the men to the club rooms to patronize the canteen and pool tables were discussed. Every former service man is invited to join the organization.

It was announced that next Friday night State Commander Buron Fitts would speak and a week from Friday night there will be four boxing exhibitions. Both should assure record attendance.

Card Party Given By Eastern Star

The regular meeting of Glen Eyrie Chapter, O. E. S., of which Mrs. Orma V. Naudain is worthy matron, and W. W. Worley worthy patron, was held last night at the Masonic Temple. Mr. and Mrs. W. W. McElroy were initiated into the order. After the business meeting cards were enjoyed by about seventy-five of the members and their friends. Punch was served during the evening.

RICH WOMAN GETS DIVORCE

LOS ANGELES, April 9. — Mrs. Gertrude Hanlin, formerly a Chicago widow, who has an income of $2500 a month, won a divorce today from Edward Hanlin who, she asserted, refused to work after their marriage. She also accused him of misconduct with other women.

Today's World News In Brief

(Special Service to Glendale Evening News)

WARNING ISSUED TO FACTORIES IN AMERICAN ZONE

COBLENZ, April 9.—General Allen has issued orders to all owners of factories in the American zone of occupation that they must not shut down without the consent of the American authorities.

FOUND GUILTY BY JURY OF MURDER OF NEGRO PEONS

COVINGTON, Ga., April 9.—John S. Williams today was found guilty of the murder of negro peons on his plantation in Jasper county. The jury recommended mercy. This automatically fixes the sentence at life imprisonment.

U. S. STEEL CORPORATION ANNOUNCES TON DECREASE

NEW YORK, April 9.—The United States Steel Corporation today announced a decrease of 649,102 tons in its unfilled steel tonnage for March. The unfilled tonnage on March 31 totaled 6,284,765, compared with 6,933,867 on February 28; 7,573,164 on January 31 and 9,982,075 on March 31, 1920.

U. S. MAY SELL ARMY FOOD STOCK TO STARVING EUROPE

WASHINGTON, April 9.—Secretary of War Weeks announced today that he had recommended to the chairmen of the senate and house military committees that he be authorized to sell surplus army food supplies to starving countries of Europe. By an act of congress, a ban now exists on the selling of army food stocks to Europe. The question of the sale of these food supplies to European countries was brought up today at a conference between Secretary Weeks and Senator McCormick of Illinois and John F. Smulski, of Chicago.

BALLOON MISSING OVER TWO WEEKS BELIEVED FOUND

PENSACOLA, Fla., April 9.—A balloon, thought to be the one aboard which five aeronauts from the naval station here were blown to sea more than two weeks ago, was found floating at sea twenty miles off Panama City, Fla., last night, according to a report reaching naval station here today. The balloon was picked up by a small boat and has been taken to Panama City. A seaplane was despatched from the naval station here to Panama City to identify the aircraft. According to the reports the balloon was deflated when found. No sign of the missing balloonists was discovered.

STATE BUDGET MEASURE RECOMMENDED FOR PASSAGE

SACRAMENTO, April 9.—The assembly ways and means committee last night recommended out for favorable passage the state budget. The senate has already endorsed the budget. The senate late yesterday adjourned until Monday morning. The constitutional amendment providing a virtual repeal of the King tax bill and the present tax system was recommended out favorably by the assembly constitutional amendments committee. The San Francisco harbor control bill will be up to the senate now, as the assembly yesterday refused to reconsider its action turning control of the harbor over to the city of San Francisco.

SPECIAL SESSION OF BRITISH CABINET IS CALLED TODAY

LONDON, April 9.—A special session of the British cabinet was called this afternoon, following failure of the conference between Premier Lloyd George and labor leaders to reach an agreement for averting the general strike called for Tuesday. When the ministry went into session, it was understood that the latest refusal of the laborites to make concessions was the principal subject under discussion. The triple alliance leaders who were visibly pessimistic when they left the Downing street conference, went at once to labor headquarters, where they resumed their conferences with other labor representatives.

NEW YORK STOCK MARKET CLOSES GENERALLY HIGHER

NEW YORK, April 9.—The stock market closed generally higher today, largely as the result of short covering. Shorts continued to cover up to the final transactions. Crucible, which had been loaning at a premium most of the week, was run up to 85½, a gain of 1½. American Sugar, which also had been commanding a premium, developed weakness, however, and reacted to 89 1-8. Studebaker was up 1 5-8 from its low of the week at 76 3-8. The rails were rather heavy and did not rally as well as the industrials. Among the closing prices were: U. S. Steel, 81, up ¼; Baldwin, 87 3-8, up 1; Atlantic Gulf, 36, up 1¼; Pennsylvania, 33, off 1-4; Studebaker, 76 1-8, up 5-8; International Harvester, 85 3-8, up 3 1-8; Crucible, 85 1-8, up 1½; Mexican Petroleum, 139½, up ½; Reading, 68, up ⅞; Northern Pacific, 74¾, off 1-8; U. S. Rubber, 72¼, up 5-8; Asphalt, 60¼, up 1½.

Arrow Comes Down At South Glendale

South Glendale, attention!

The arrow comes down. That red-lighted streak pointing northward at the corner of Brand boulevard and San Fernando Road, which has been the bone of contention between the South Glendale business district and Glendale's efforts for a united city, will shine no more.

All of which has been brought about through the activity of the Chamber of Commerce. When the Chamber was being organized, merchants in South Glendale objected to the arrow on the ground that it diverted trade and asked that it be removed if they were to be boosters for the whole city.

Something would be done about it, they were told. And it has. The railroad highway and industrial committee made the recommendation that the arrow be removed and the "Glendale" electric sign be turned around so that it could be seen from the San Fernando Road, Brand boulevard and the Southern Pacific tracks as well.

Which seems about as satisfactory as anything which can be done in the matter. City Manager T. W. Watson has instructed the public service department to comply with the wishes of the Chamber of Commerce.

Building Permits For Year Total $900,375

Glendale's building permits for the year, to date, totaled $900,375 at noon today with $85,452 for the month. It is expected that several large permits will be taken out next week which will materially aid April's record.

Business property along Brand boulevard and Broadway is very active at present and plans are being drawn for a half dozen business blocks, but the architects are so busy that it may be 30 days before the structures are actually under way.

Building permits issued during the past 48 hours were as follows:

Bert Nelson, 5 rooms and garage, 449 West California	$3,000
Harold Swenson, 4 rooms and garage, 529 West Pioneer	2,000
A. E. Harmon, 4 rooms, 630 East Maple	700
Chris Smith, garage, 809 South Verdugo Road	200
W. E. Scott, garage, 627 West Vine	200
H. L. Grote, 1 room over garage, 440 West Garfield	100

HIGH SCHOOL TEAM HANGS DEFEAT ON CITRUS UNION

GLENDALE TAKES BALL GAME ON LOCAL GROUNDS BY 6 TO 2 SCORE

About a thousand Glendale baseball fans yesterday saw the local high school players trounce Citrus Union high school's aggregation by a score of 6 to 2. As this was the first league contest the boys have won out of three starts, they are feeling quite chesty and Coach Hayhurst thinks that he has whipped his players into such a condition that they will brace up and win all of the remaining games. This would probably put the boys in the semi-finals for the Southern California playoff.

To get back to the game, things went along slower than the 7:20 Pacific Electric car to Los Angeles, until the first of the fourth inning when Yellow and Black athletes woke up and scored a run on a single by Williams, followed by successive infield outs by Clark and Pierce. Not wanting to be discourteous to his hosts by leading them by a tally Rothman, the Citrus heaver, who resembled a boomerang thrower rather than a baseball pitcher, immediately presented the home boys with a trio of counters. He was thoughtful enough, however, to avoid any monotony to the spectators by donating each of the three runs in an entirely different manner. After clogging up the bases by two walks and an error by Firstbaseman Pierce, Rothman made a perfect record on the next six pitched balls by hitting in succession the top of the backstop, the bottom of a Glendale batter's shirt, and the outside of home plate four times. Truly a remarkable achievement.

Become Threatening

Citrus made their second and last marker in the sixth canto on a clean double over the right field fence by Williams and a single by Pierce. They became threatening in the first of the ninth inning, but their belated rally was thwarted by Morgan's accurate throwing to third and second bases, respectively.

Glendale made it a day's work by really earning three runs in the last

(Continued on Page 8)

Knights Of Pythias Meeting Big Success

Seldom has a meeting of Glendale Lodge No. 331, Knights of Pythias, been so thoroughly enjoyed as the ceremonial and initiation held this week.

The officers and workers were at their best and the Van Nuys lodge officers and members were present in full force and ably assisted in the sublime ceremonies of the hour. That there is a bond of fraternal fellowship existing between the members of these two lodges was especially demonstrated during the evening's events and notably in the banquet room where a delightful lunch was served.

At the next meeting the Page Rank will be conferred. On Thursday night all resident Pythians will go as guests of honor by auto to visit the Van Nuys Knights of Pythias lodge where special doings are on tap.

Eight Room House Is Being Planned

E. H. Learned, of 1400 Sixth street, between Glendale and Burbank, reports the sale of an acre lot on Winchester street to Mrs. Anna Gould, of Glendale. Mrs. Gould plans to immediately begin the erection of an eight-room residence on the site. She has recently sold her home on North Jackson street and at the present is staying with her sister, Mrs. Thomas, of North Kenwood street, until the completion of the new home.

C. E. Committee To Hold Meeting

A meeting of the general committee for the Christian Endeavor state convention to be held in Glendale, June 25-29, will be held tomorrow afternoon at 3 o'clock in the Christian church, with Howard Brown as chairman. Reports of the various committees will be heard. Plans for the part which the young people will take in the evangelistic meetings to be held in Glendale soon will also be discussed.

MEAT PRICES TO DECLINE

CHICAGO, April 9. — Adequate meat supply with steady or declining prices in the next six months were predicted today by packing house officials. Beef prices were expected to fall while pork will remain at the present level, experts believe.

CHURCH TO BE DEDICATED

Dedication ceremonies will be held tomorrow afternoon at 3 o'clock at the edifice being constructed by the Casa Verdugo Methodist congregation to serve as Sunday school rooms when the contemplated church building is erected. The improvement will cost close to $20,000 and is a large step in providing a permanent and comfortable home for the rapidly growing membership in both the church and Sunday school. Edward O. Thayer, D. D., is pastor.

Locals And Personals

Mr. and Mrs. J. H. Folz of 350 Myrtle street are spending a few days at Gilman Hot Springs.

Mrs. Edith Walton and daughter, Mary Elizabeth, of 377 Milford street are visiting in Anaheim.

Mrs. W. R. Young of Long Beach is the week-end guest of Mr. and Mrs. C. C. Cooper of 302 North Central avenue.

Mrs. Walter Cheever of 1301 Kenneth road has as her guests for a few days her parents, Mr. and Mrs. D. E. Fuller of Hermosa Beach.

Mr. and Mrs. Joe Fortunato of 206½ East Chestnut street had as their dinner guest yesterday evening Walter McKelvey of San Diego.

Mr. and Mrs. C. F. Parker of 221 North Central avenue will be the dinner guests tomorrow of Mr. and Mrs. Roy Knox of Los Angeles.

Mrs. Frank W. H. Dow of 1223 East Lexington drive had as her guests for a few days recently Mr. and Mrs. Bender of Portland, Ore.

J. P. Fanset of 510 West Vine is recovering from a severe spell of sickness. Bronchitis and kindred ailments were the nature of his illness.

Mrs. Harry Carkey of Mendota, Ills., entertained Mrs. David Black and daughter, Mrs. Claire T. Van Etten, at luncheon at the Ambassador hotel, Friday.

Mrs. F. H. Mellus of 355 West Lexington drive, accompanied by a party of friends from Los Angeles, will be a guest tomorrow abroad the U. S. S. New York.

Mrs. Bert Haven of 409 Salem street had as her guests Thursday, Mr. and Mrs. J. Henson of Battle Creek, Mich., who are spending the winter in California.

Laurence May of 222 South Glendale avenue reported to the police this morning that his bicycle had been stolen from a parking place near a local theatre last night.

Mrs. Bessie Klimcke is a visitor at the home of Mr. and Mrs. F. A. Marek, 212 North Verdugo road, coming here from San Francisco. She intends to locate in Glendale.

Frank Guernsey was a Glendale visitor on Thursday. He was formerly a Glendale merchant and had a jewelry store and watch repairing establishment, corner Isabel and Broadway.

Miss Virginia Eastman of 709 North Louise street, and Miss Ruth Waterman of 500 North Kenwood street attended the annual opera at Manual Arts High school, Los Angeles, Wednesday.

Mrs. C. F. Parker of 221 North Central avenue had as her guests yesterday Mrs. Kittie G. Swain and daughter, Miss Kathleen Swain. Mrs. Swain and Mrs. Parker were friends when both resided in Covina.

Mr. and Mrs. G. Fritz of Mendota, Ills., who have been spending the winter in Los Angeles, were guests in the home of Dayid Black. They are delighted with California, the wonderful roads, and note the great building activity.

Mrs. Fred C. Blodgett of Van Nuys was a caller at the office of the Glendale Evening News this morning and renewed her subscription. Mr. and Mrs. Blodgett are desirous of locating in Glendale as soon as they can find a suitable place.

Mrs. S. A. Chase has had more than her share of sickness the past six months, having been disabled the better part of that time. Just now she is in the Burbank hospital. Her many friends will be glad to learn that she is improving, although her recovery is slow.

W. F. Schubert of Catalina made Glendale a flying visit on Friday. Mr. Schubert was a former Glendale citizen and still owns property here and is planning to return in the fall and build on his West Wilson lot. Before coming to Glendale Mr. Schubert was publisher of a newspaper in Watts.

Mrs. C. R. Moore has returned to Glendale after a visit of several months in Chicago with her children. Upon her return to California she tried San Diego as a place of residence, but the charms of Glendale were too great. She is making her home with her uncle, Dr. Guernsey, 314 North Belmont.

Mr. and Mrs. John Dunn of 446 West Colorado street and Mrs. Dunn's father, Stanley Frentz, will motor to Bakersfield tomorrow, at which place they will visit Mr. Dunn's sister, Mrs. May McClure. Mr. Dunn will return to Glendale and Mrs. Dunn and father will motor to San Francisco, where they will visit her sister, Mrs. William Crawford, formerly Miss Merle Frentz of Glendale, daughter of Stanley Frentz.

Mr. and Mrs. Edward S. Lawrence of 224 South Jackson street entertained Mr. and Mrs. H. S. Evans of Sierra Madre on Wednesday at a daintily appointed luncheon. Mr. Evans is well known to campers in the Sierra Madre mountains. He is now contemplating a trip to England to arrange business affairs in order that he may permanently reside in California.

Southern California

Chiropractors Meet

With Griffith Jones as speaker of the evening, a meeting of the Progressive Chiropractors of Southern California will be held tonight at 8 o'clock in the ballroom of the Alexandria Hotel in Los Angeles.

Fifty-Fifty Births

Pasadena is absolutely neutral concerning the sexes. That fact, often noted, is emphasized today even by the official records. The March birth record, just compiled by the city health department, shows there were an even hundred births in that month. And they were exactly fifty-fifty. That is, fifty were boys and fifty were girls.

Oppose Smoking

Tobacco and dress featured resolutions adopted at the annual convention of the Riverside county W. C. T. U., the sessions of which were held at Hemet this week. It is recited that "the evil more subtle, if possible, than the liquor traffic, namely the increasing use of tobacco in all its forms by the men and women, boys and girls, throughout the world, demands the most earnest condemnation of its culture, manufacture and use and the most stringent measures for its final extermination." The present style of dress is deplored in the resolutions, which also commends the Bible as "a great aid in the mental and spiritual development of the youth in our public schools and colleges."

Film Star Stricken

An immediate operation was necessary recently to save the life of Sessue Hayakawa, Japanese film star, who was stricken with an appendiceal abscess. Although Hayakawa has been suffering from slight illness it was not until he consulted a doctor that he learned an immediate operation was necessary.

Hurls Eggs at Judge

County Justice J. Edward Keating was bombarded with eggs in his court at San Diego yesterday afternoon by Mrs. Bertha Polak of East San Diego, who was arraigned before him on a charge of having violated her probation, granted after she was convicted recently of disturbing the peace. The eggs were fresh and the judge kept his temper.

Oil at Antelope

An oil strike has been reported in the Antelope valley. This will interest many Glendale property owners in the district. The discovery well is down 4100 feet on the Watchorn lease.

Dr. R. G. Hay Dies

Dr. Rilla G. Hay, first woman physician in Los Angeles, is dead. She practiced in Los Angeles until failing health forced her to retire in her seventy-first year. Mrs. Hay formerly resided and followed her profession in Des Moines, Ia.

Would Sell Whisky

Six hundred retail druggists in southern California have made application for permits to sell whisky. Under a recent ruling retail druggists are permitted to withdraw 100 gallons every ninety days which would release 24,000 gallons.

Excursion Rates

For folks who want to travel there will be excursion rates on all of the railroads this year, it is announced. But the sad part of it lies in the fact that the reduced rates are from the east only, so far as is known.

Question Paving Job

If it isn't one town that's in hot water, it's another. While things are cooling off in Burbank, Venice now faces a civic upheaval over the probability of a grand jury investigation of a $64,000 paving job.

Largest Seal Dies

Mike, the largest seal at Seal Beach, is dead. Missed two weeks ago, the loss of the big bull was not explained until yesterday when its carcass was washed ashore at Long Beach. Mike used to fish for the seal herd when the surf was rough.

Bathing Season Opens

Wonder what the wild, wild waves are saying, for the bathing season opens at Venice tomorrow. The umbrella men and bath-house Johnnies are all ready to shuffle in the shekles. Tomorrow night Aviator B. H. DeLay will do a double illuminated loop the loop.

JESSE E. SMITH TO BE HOST

In order to fittingly celebrate the record established during the month of March in the sale of 100 cars, the salesmen and others of the Ford agency force will be the guests of Jesse E. Smith at a dinner dance at La Crescenta lodge on Tuesday night of next week.

With the sale of seven one-ton Ford trucks to the Mackenchnie Bread Company of Los Angeles this week, the local Ford agency has already sold forty-two cars in eight days of their April endeavor to hit a new high mark of 125 orders in a month.

--CONFIDENCE--
Very few people have any definite knowledge of Life Insurance or of Companies. They have to take somebody's word for it. I have known even bankers, who knew so little about their insurance contracts that they thought they had 20 year endowments when they had only 20 payment life.
This being the case, you must place confidence in somebody as to your insurance. My knowledge of the business is at your service, either as to information about old policies or advice as to new ones. I will have to let you determine, in regard to my trustworthiness, from my more than 12 years' residence in Glendale.

R. W. Norton Again Making Home Here

R. W. Norton, who sold the grocery store at 246 North Brand boulevard about two months ago and then moved to El Monte, buying a cafe in that city, has sold his place of business there and has returned to Glendale. He is now making his home at 216 East Wilson avenue. At the present time he is assisting in disposing of the stock of the Walker Grocery at 115 South Brand boulevard.

"Uncle Charley" Patton, who is 80 years of age and has long been an employe of President Harding, arrived at the White House recently. He will receive some sort of employment there so he can be near his former boss.

VARIED PROGRAM BY CERRITOS AVENUE SCHOOL PUPILS

MRS. E. B. MOORE PRESIDES AT ASSOCIATION GATHERING;

(Continued from Page One)

Walker theatre building in Los Angeles, were also appointed. The association has 264 members and is, therefore, allowed 11 delegates.

The question was brought up at this time as to whether or not the parents would favor an afternoon graduation for pupils of the eighth grade this year, but the opinion of all present was that an evening graduation was much more desirable, as then the fathers would be able to attend.

Proposed Constitution

A committee was appointed to put before the association the new constitution which has been accepted by the federation of parent-teacher associations of Glendale. If this constitution is adopted by all the branches, all associations in Glendale will be working under the same rules and regulations, which will be a distinct advantage.

The members were asked to meet next Monday afternoon at the home of Mrs. E. L. Adams on South Maryland avenue to tie a quilt, which will be sold for the benefit of the Parent-Teacher association.

A prize was offered at the beginning of the year to the room that brought in the most number of new members for the association. This prize, a picture, has been won by the fifth grade.

Liberty Six Motor Gives Real Service

"There's a difference in the way the Liberty Six rides and drives," said B. G. Sutherland of the Gardner and Liberty agency, 230 North Brand boulevard, in discussing reasons why he was bringing that car forward in Glendale.

"The Liberty Six motor, designed and constructed by nationally known engineers, is capable of giving the greatest amount of service to its owners," he continued.

"And we know the Liberty organization to be all that can be desired in strength and ability to back this worthy automobile. That is evidenced by the numerous sales which we are making and of the satisfaction derived by Glendale owners of the Liberty Six."

Glee Club Gives Big Concert Tonight

Something that will please every member of the family is promised on the program of both classical and popular songs and music which will be given tonight by the Glee club of the California Institute of Technology at the First Methodist church of Glendale under the auspices of the Men's Bible class. It boasts a saxophone quartet, a mandolin quartet, a vocal quartet and many soloists. Two Glendale boys, Hugh Freeman and Lawrence Chandler, are members of this glee club.

Second Of Series Of Dances Tonight

The second of a series of dances, given every Saturday night at Park avenue and Brand boulevard, will be given tonight under the new management of Messrs. E. E. Brown and Harold Windsor. Real jazz music is being furnished by Whaley's orchestra. Prizes will be given at the dance tonight, including an ivory manicure set for the best fox trot and a 4-lb. box of chocolates for the best waltz. A large crowd is anticipated.

South Glendale To Battle Universals

A real speedy ball game is promised those who witness the game tomorrow at the Glendale Athletic grounds, San Fernando and Park avenue, when the South Glendale baseball team will play that of Universal City, beginning at 2:30 p. m. The new grandstand has now been completed to accommodate the spectators.

Roake Garage Is Given New Name

E. V. Jellison and H. H. Kinner have purchased the Roake garage at 1006 South Brand boulevard and will conduct what will be known as the J & K Service Station. Automobile parts and accessories also will be handled.

Cooked Food Sale Behalf Of Church

The ladies of the Holy Family Catholic church held a cooked food sale in the salesrooms of the Glendale Phonograph & Piano Company, beginning at 9 o'clock this morning, in charge of Mesdames Moes, Rapp, Stiles and Albright.

Cottons, Linens, Woolens, Silks to Wash—
BUT WHAT SOAP FORMULA?
No help in the selection of soap was required by housewives in Martha Washington's time. A primitive soap, made from wood ashes and tallow, was the only cleansing agent available.
And this sufficed in most cases, because milord's shirts and milady's "linens" were simple materials—home grown and home spun.
But how different from washday problems of today! Cottons, linens, woolens, silks, and innumerable mixtures each requiring specialized laundering. Soaps, sodas, powders, and a thousand "preparations" to select from.
Which of these is best? How much should be used on a given amount of clothes? What is the effect of a certain soap on silks? On woolens? These are only a few of the questions that come up. Too often the untrained laundress attempts to use one soap for all. But particular soaps for particular purposes are used in our laundering method.
Have us call for your washing. Phone today.

MARY GARDEN IS SUED

LOS ANGELES, April 9. — Mary Garden, director-general of the Chicago Grand Opera association, is defendant in a suit for $5000 on file here today, brought by the Mary Free-Bed Guild, a Grand Rapids, Mich., charitable institution. The complaint asserts she entered into a contract to give a concert March 17 to assist in raising funds for the institution, and then refused to fill her part of the contract.

Notice Inviting Sealed Proposals

Pursuant to the provisions of the Improvement Act of 1911, and Resolution No. 1179 of the Board of Trustees of the City of Glendale, California, adopted the 7th day of April, 1921, directing this notice, the undersigned invites and will receive at his office in the City Hall up to 7:30 p. m., of Thursday, the 21st day of April, 1921, sealed proposals or bids for the following improvement to be done according to plans and specifications adopted for said work, posted and on file, to-wit:

First: That Dayton Court between the southerly curb line of California Avenue and the northerly curb line of Wilson Avenue; including all intersections of streets or alleys except those portions as are already graded to the official line and grade, be graded to the official grade heretofore established therefor, the same to be done in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

Second: That a cement sidewalk of the width of four (4) feet be constructed along each side of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, except where sidewalk is already constructed to the official line and grade. Said work to be done in accordance with plans and cross-sections No. 398. Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Third: That a cement curb of the class designated as Class "B" in the hereinafter referred to Specifications (except said curbs shall have a depth of twelve (12) inches) be constructed along each side of the roadway of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all returns at all intersecting streets or alleys, except where said curbs have already been constructed to the official lines and grade. Said curbs shall be constructed in accordance with plans and cross-sections No. 398, Profile No. 734 and in accordance with Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Fourth: That all of the roadway of Dayton Court between the curb lines from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all intersections of streets and alleys be oiled and surfaced in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

SECTION 2. That said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit and will affect and benefit the lands and district hereinafter described and said Board of Trustees hereby declares that the district in said City of Glendale benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is all that portion of said City included within the following exterior boundary lines, to-wit:

Beginning at a point on the northerly line of Lot 2 of the Byram Tract as per Map recorded in Book 12, Page 46 of Maps, records of Los Angeles County, California, said point being one hundred and seventy-eight hundredths (100.78) feet west of the westerly line of Dayton Court; thence southerly and parallel to the westerly line of Dayton Court distant one hundred and seventy-eight hundredths (100.78) feet westerly therefrom across Lots 2, 4, 6, 8 and 10, of said Byram Tract to the northwesterly corner of Lot 32, Block 3 of the Town of Glendale as per map recorded in Book 21, Pages 89 and 90, Miscellaneous Records of Los Angeles County, California; thence southwesterly along the westerly lines of Lots 32, 31 and 30, Block 3, of said Town of Glendale to the southwesterly corner of said Lot 30; thence southerly in a direct line across an alley to the northwesterly corner of Lot 29, Block 3 of said Town of Glendale; thence southerly along the westerly line of Lots 29, 28 and 27, Block 3, of said Town of Glendale to the northerly line of Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Dayton Court and Wilson Avenue; thence easterly in a direct line across Dayton Court to the northeasterly corner of Dayton Court and Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Wilson Avenue and Cedar Street; thence northerly along the westerly line of Cedar Street to the southwesterly corner of Cedar Street and California Avenue; thence westerly along the southerly line of California Avenue to the southeasterly corner of California Avenue and Dayton Court; thence westerly in a direct line across Dayton Court to the southwesterly corner of Dayton Court and California Avenue; thence westerly along the southerly line of California Avenue to the point of beginning, excepting therefrom any portion of any public street or alley which may be included in the above described district. Reference is hereby made to Map No. 385 in which the assessment district referred to is shown within red colored border lines.

SECTION 3. The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of Twenty-five ($25.00) Dollars or over for the costs of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest is paid.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and the amendments thereto.

Reference is hereby made to Resolution of Intention No. 1177 for further particulars of said work.

Bidders must file with each proposal or bid, a check payable to the City of Glendale certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal or a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount and over and above all statutory exemptions.

In bidding use blanks which will be furnished by the City Clerk upon application.

Dated April 7th, 1921.

J. C. SHERER,
City Clerk of the City of Glendale.

Sunday Services at the Churches

FIRST METHODIST
Corner Wilson and Kenwood. Rev. Clyde Monroe Crist, D. D., pastor. Sunday school (graded) 9:30. Prof. A. W. Tower, superintendent. The school has a steady growth and is now well over 500 in regular attendance. A special high school assembly. Carl Seitter is religious educational director and is on the job. Morning sermon subject, "Spirit Baptism (a preparation time for the great revival). Epworth League rally (Camp Fire) 6:15. All the Glendale leagues meeting. District officers present. Brotherhood, 6:45. Organ recital, 7:15. Great musical program by the Euclid quartet of Los Angeles, at 7:30. Pastor's theme, "God's Approval." The church is equipped with the acousticon; the usher will direct you. It is a friendly church and "seems like home." Next Sunday morning (17th) new members will be received. This will be the last opportunity to join before the revival campaign which begins on the evening of the 17th.

ST. MARK'S EPISCOPAL
The second of a series of three sermons on the topic of "Confirmation" will be given at the 11 o'clock service at St. Mark's Episcopal church Sunday morning by the Rev. Dr. Hugh Cornell. A fine program of music will be given by the vested choir. Sunday school will begin at 9:45 a. m. Bishop Stevens will be here on the 24th to administer the rite of confirmation.

HOLY FAMILY CATHOLIC
East Elk near Adams street. Mass at 7:30 a. m. Sunday school at 8:30 a. m. Mass at 9:30 a. m. Everybody welcome. James S. O'Neill, parish priest.

CENTRAL AVENUE METHODIST
Bible school, 9:45 a. m. J. L. Brown, superintendent. Junior League, 11 a. m. Mrs. M. A. Hewitt, superintendent. Morning worship, 11 o'clock. The pastor will preach on "Conservation." Special music by the choir. Epworth League, 6:30 p. m. Harold Williams, leader. Evening service, 7:30. Rev. Brink's topic is "Conformity vs. Non-Conformity." Special music. Wednesday prayer meeting, 7:30, April 13th.

PRESBYTERIAN
Broadway and Cedar street. Sunday school at 9:30 a. m. H. L. Finlay, superintendent. At the morning service Rev. Edmonds will preach on "A Three-Fold Loyalty." In the evening the topic will be "A Loveful Sacrifice."

Musical program: Morning—Prelude, "Intermezzo" (Bizet); quartet, "The Rock of Our Salvation" (Lorenz); offertory, "Andante" (Gounod); soprano solo, "The Lord is My Light" (Harker), Mrs. Helen Graham Cole; postlude, "March Triumphant" (Moore). Evening—"Cavatina" (Raff); "Grand Chorus" (Smart); "Serenade" (Gounod); quartet, "The House of the Lord" (McAfee); tenor and bass duet, "Come Unto Me and Rest" (Parks), Everett Anderson and Alfred Dahlquist; offertory, "Andantino" (Schumann); quartet, "My God Accept My Heart This Day" (Brackett); postlude, "Grand March" (DuBois).

CHRISTIAN AND MISSIONARY ALLIANCE
Meetings every Tuesday and Thursday, 7:30 p. m. Gospel Tabernacle, 310 E. Chestnut Street, corner of Louise. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer and Coming King.

CASA VERDUGO METHODIST
Topics for April 10: 11 a. m., "First Things First." 7:30 p. m., "Building Zion." 3 p. m., Laying of cornerstone of Sunday school building, address by Rev. W. L. Y. Davis, D. D., of Pasadena.

CHRISTIAN SCIENCE
First Church of Christ, Scientist. Corner Maryland and California. Service Sunday at 11 a. m. The lesson sermon is from the Christian Science Quarterly Bible Lessons. Subject, Sunday, April 10, "Are Sin, Disease and Death Real?" Sunday school at 9:30 a. m. Wednesday evening testimony meeting at 8. Reading room, 135 South Brand boulevard, open daily except Sunday and holidays from 12 to 5 p. m. Also every Tuesday, Thursday and Saturday evening, from 7 until 9.

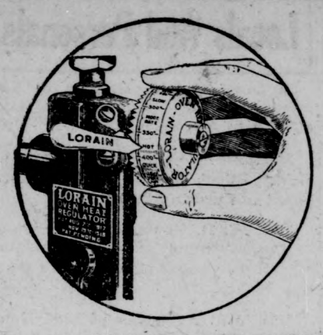
NEW THOUGHT CENTER
Masonic Temple, Sunday, April 10. Sermon by Dr. Frank Riley at 11 a. m. Sunday school, 9:45. All are welcome.

CHRISTIAN AND MISSIONARY ALLIANCE
Meetings every Tuesday and Thursday, 7:30 p. m. Gospel Tabernacle, 310 E. Chestnut street, corner of Louise. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer and Coming King.

FIRST BAPTIST
Ernest E. Ford, pastor. Sunday school at 9:30. Roy L. Kent, superintendent. Public worship at 11, sermon theme, "Hindering God." Young people's meeting at 6:30, topic, "How Does God Wish His Day to be Spent?" A. L. Chandler, leader. Evening praise and preaching service at 7:30, sermon theme, "Won by One." Baptisms at the close of the service. Prayer meeting on Wednesday evening at 7:30. The last for some weeks. A large attendance desired. Important meeting of the workers of all the churches on Monday evening, in this church.

CENTRAL CHRISTIAN
Cor. Louise and Colorado streets. Clifford A. Cole, minister. The minister will preach at 10:30 on "A People With a Mission." At night, Evangelist A. L. Crim, who has recently been appointed city evangelist of Los Angeles, will preach. Evangelish Crim is one of the great pulpiteers of the country and this church is fortunate in securing him for this service. The choir will furnish special music under the direction of Mrs. Calvin Whiting. Bible school at 9:30; Young people's meetings at 6:30. "The Homelike Church."

TROPICO PRESBYTERIAN
Sunday school, 9:45 a. m. for all grades, four departments. 11 a. m., the Rev. Dr. S. A. George of Tacoma, Washington, permanent clerk of the Synod, will preach. Everybody invited. Christian Endeavor, 6.30 p. m. Preaching at 7:30 p. m., subject, "Sin," based upon Paul Kanamori's three hour sermon.



The Lorain Oven-Heat Regulator

CUTS OUT THE GUESS WORK AND WORRY WHEN YOU BAKE

The Lorain is a device to measure the heat. Simply set the temperature wheel at whatever heat you wish, then forget it. The regulator automatically controls the gas and maintains the same degree of heat indefinitely.

WE WILL INSTALL
A DIRECT-ACTION STOVE
WITH
A Lorain Regulator

You will find your baking worries reduced to a minimum with such equipment.

PRESIDENT HARDING MAKES DRAFT OF FIRST MESSAGE

SUMMARY OF SUBJECTS GIVEN BUT EXECUTIVE SILENT ON FOREIGN PLANS

(Continued from Page One)

come of the senate investigation, soon to be undertaken.

Good Roads — The necessity of federal encouragement to the Good Roads movement is recognized, but no federal aid should be granted unless there are strict requirements which would compel states to maintain the roads in proper condition.

Alaska—Attention may be called to the possibilities for development in Alaska and to the need of encouragement by congress.

Budget—Harding will unqualifiedly endorse the passage of a budget bill to bring about a co-ordination of government income and expenditures.

Merchant Marine — The president will clearly indicate that he is for whatever steps are necessary to preserve and increase the American merchant marine.

TRANSFERS OF SERVICE
Requests received yesterday at the public service department for new electric meter installations and transfers of service were as follows: D. Hunsberger, 412 West California; R. H. Rodgers, 510 and 516 Riverdale drive; M. M. Cook, 206 West Eulalia; W. F. Schubert, 322 West Wilson; A. L. Clark, 525 North Maryland; E. B. Anderson, 712½ South Glendale; Charles E. French, 515 Fairmont. J. C. Haines, from 220 East Maple; Carroll Clark, from 716 South Brand to 210 West Milford; John Mercer, from 809 East Wilson; Mary B. Hupp, from 519 East Wilson to 207 North Isabel; Royal Coffee Shop, from 212 South Brand.

TO WHOM IT MAY CONCERN
R. M. Sebastian, doing a grocery business at 1127 North Central avenue, Glendale, has contracted to sell his stock and business to Gray & Gray. Invoice will be taken and said stock and business will be transferred to said purchaser within seven days from date of this notice. The transfer papers are now in escrow at the undersigned bank.

ONE EXPLANATION
Jud Tunkins says the reason so many of us are afraid of work is that we are too bashful to get acquainted.

NASH ENDURANCE IS WELL PROVEN BY TEXAS DRIVER

S. C. KNEESE ARRIVES HERE AFTER HARD TRIP; CAR IN GOOD CONDITION

Revealing the endurance of the Nash motor cars, S. C. Kneese of Fredericksburg, Gillespie county, Texas, who is visiting in Glendale yesterday related the details of his strenuous trip from the Lone Star state to California.

In company with Miss Hattie Grode and her mother, Mr. Kneese left Fredericksburg in a Nash Six and arrived here on March 17, taking his time along the way. While he thoroughly enjoyed the experience, 400 miles were made in mud and the balance over the desert roads until this section of the country was reached.

Considering these conditions, he told E. B. Sutton, local Nash dealer, that it was remarkable the big Nash averaged twenty miles to the gallon of gasoline, which means it should do about twenty-seven miles on the paved boulevards of California.

Plans Return Trip

Outside of one puncture he had no trouble whatever and in seven instances he towed other cars out of the mud.

Although his car has seen the hardest sort of service for nearly 12,000 miles since it was purchased, it looks almost new, and Mr. Kneese is now cleaning it up for a return trip to Texas.

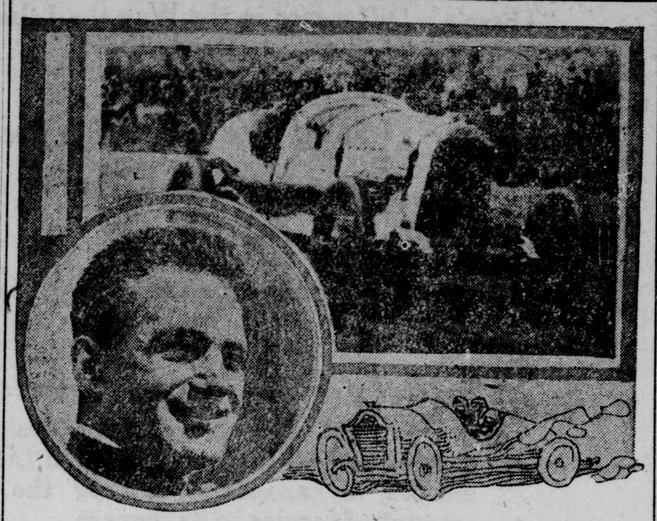
Former Service Men, This Will Interest

Glendale Post, No. 127, American Legion, has received the following information of interest to all former service men holding war risk insurance policies:

Colonel R. H. Hallett, acting director of the bureau of war risk insurance, announces that congress by joint resolution which was signed by the president on March 3, 1921, has declared the war terminated for purposes of war risk insurance, as of March 3, 1921. Therefore, all war time or term insurance must be converted during the five year period from March 3, 1921, to March 3, 1926, inclusive, as term insurance cannot be continued after the expiration of this period.

A motor-operated capstan and spring buffer for towing heavy trailers behind automobiles have been invented by a Parisian.

BIG AUTO RACES TOMORROW



Ralph DePalma, famous auto racer, who will meet Tommy Milton, Roscoe Sarles, Jimmy Murphy, Eddie Pullen and many others in the American sprint championship races at the Los Angeles Speedway on Sunday, April 10. DePalma will drive his famous French Ballot.

With Eddie Pullen showing more speed with his new Deusenberg racing car than either Sarles or Murphy, the chances are favorable for Pullen to go to the starting line favorite of the field in the American Sprint Championship races at the Speedway in Los Angeles on Sunday, April 10.

Tommy Milton, Eddie Hearne, Ira Vail, Joe Thomas and Alton Soules all declare their cars to be much faster than they were in the February sprint races. Ralph DePalma alone seems to be unable to increase the speed of his car. Many of Ralph's followers have switched to new favorites, while the race-wise fans will not be surprised to see DePalma get one of his periodical drubbings.

Certain it is that the contests will prove more thrilling than the February races if such a thing is possible. Such sensation-calloused race followers as Starter Fred J. Wagner and Barney Oldfield declare they never witnessed such desperate speed duels as occurred in the Washington's Birthday events.

Four Records Are Broken; Oakland Six Sets Up New Mark

A coupe shattered four records in motor speed!

Yes, it was an Oakland Six.

Checked by Western Union a stock car first beat Barney Oldfield's record run from Los Angeles to San Diego.

Then over the steep, twisting Descanso grade to 4000 feet elevation and back to below sea level into Imperial valley where impassable detours were made with lightning speed.

Skidding over slippery highways the telegrams tell the story of its last 103 miles to Los Angeles which brought the sturdy Oakland back to its starting point with a perfect score.

That's the achievement Green & McClellan, local Oakland agents, are featuring in their advertising this week.

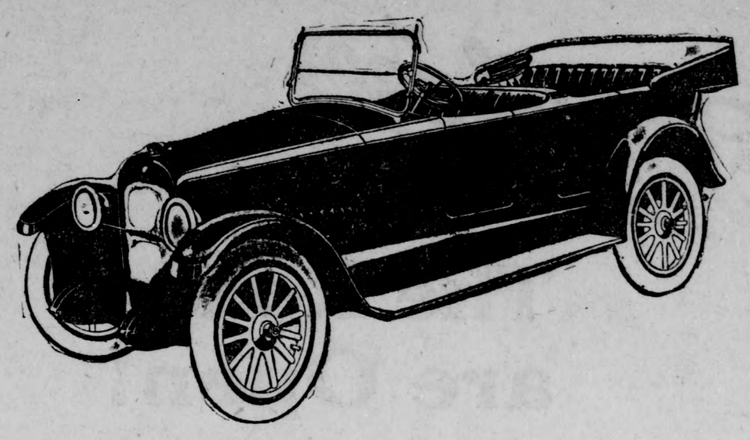
Harvard School Boys At Glendale Range

More than 150 pupils attending the Harvard Military school in Los Angeles are in Glendale today enjoying target practice on what is known as the Glendale rifle range in Sycamore canyon. Last night the city seemed as though it had been taken by a company of soldiers. This is the third group to come here for rifle practice recently and the boys are under the command of Major A. T. Easton. The boys brought along their equipment and pitched camp in the canyon for last night.

BATTERY TROUBLE

Internal trouble of a battery will often be brought about by the accumulation of sediment in the bottom of the jars, bridging the grids containing the elements and causing a short circuit between the plates. To endeavor to avoid such a condition, distilled water should be used in refilling the cells.

The NASH Six



VALUE CARS AT VOLUME PRICES

The Nash Six Has Won First Rank Among America's Good Motor Cars

More than 65,000 Nash Sixes have gone into owner service during the last three years and in this time this fine automobile has established itself in the front rank of America's leading motor car values.

The Nash Six with Perfected Valve-in-Head Motor is now generally recognized as an especially attractive value at its price. It has given such uniformly satisfactory service in owner use that its high quality is accepted in every community.

The friendship of its owners, built up entirely by the dependable performance of the car itself, is alone responsible for the enviable reputation for sound worth which the Nash Six now so universally enjoys.

The Nash Six has an air of distinction. Its individuality of appearance, its graceful lines, power and quietness and economy, all combine to impel admiration on the part of those who appreciate fine motor cars. Thus, the high regard the Nash Six owner has for his car is based no less upon the excellent performance of the entire car than upon any one unusually good feature, such as the Nash Perfected Valve-in-Head Motor.

It's Easy To Enjoy Fishing Trip When You Go In Buick

Just to show how easy it is to enjoy a day fishing in the faraway mountains when you have a Buick, Harry A. Hall of Tanner & Hall, local Buick agents, kept a log of the trip which he made in company with his wife and Dr. and Mrs. T. C. Young last week-end. Here it is:

"Left Glendale, 1 p. m., March 31; arrived Santa Barbara 4:15; arrived Buell on Santa Ynez river, 5:45 p. m., 144 miles from Glendale.

"Stayed at hotel and went after trout at 6 a. m. Number of trout and fishermen about equally divided—counted ten fishermen at one hole. Had some luck.

"Went out next day at 5 a. m.; caught 50 nice trout by 9 a. m.; got 74 altogether.

Returned to Glendale April 2, reaching here at 5 p. m."

Now you nimrods, don't talk about the call of the open road. Answer it.

Concrete Road Is Nearing Completion

The longest stretch of paved road that has yet been completed under the Federal aid law was recently formally opened to the public at Mason City, Ill. The completed pavement is a line in the Chicago-St. Louis highway, extending from Sparland to Chatham, a distance of 117 miles. The entire road is paved with concrete and along this magnificent rural boulevard lies the cities of Springfield and Peoria, as well as a score or more of smaller towns and villages and hundreds of farms in what is one of the richest farming districts in the world.

Women Drivers In Contest Of Skill

Feminine skill in driving automobiles is being displayed today at Exposition park in Los Angeles under the direction of the Motor Car Dealers' association of Los Angeles. Each contestant will demonstrate her ability to park a car properly; to signal properly at a street corner; to pass street cars and meet any contingency of the road.

In fitting a spark plug in a cold cylinder be very careful not to screw it too tight. The principal cause of the breakage of the porcelain insulators is the expansion of metal when the engines get hot, thereby exerting a crushing effect on the plug and resulting in a cracked insulator.

Highway Question Is Of Big Importance

That the highway question is so important that it should be made a separate function of the government rather than left in charge of a bureau of a department was the opinion expressed recently by Edward S. Jordan of the highways committee of the National Automobile Chamber of Commerce.

"In the past few months I have talked to scores of meetings and thousands of individuals in many cities of the country," said Mr. Jordan, "and everywhere I find men taking a keen interest in highway problems.

"After a careful survey I feel that the best way to really focus the attention of the public on this great problem is through the creation of a Federal Highway commission, which should take over the work of the present Bureau of Public Roads, and I say that without the slightest criticism of the men in charge now, who are doing all that they can under the limitations of the present law.

"If a commission of five men, let us say, could be appointed by the president, with the advice and consent of the senate, several results would be obtained at one stroke. In the first place, highways would be given their proper place as the most important single domestic phase of the government's work. Not only would the recognition be a proper one, but it would serve to stimulate interest of students in college, to whom we must look for our future crops of trained men to handle the vast expenditures now available and to be made in the future.

"Secondly, we would have a body of men in charge of the work whose duty it would be to look at the question from a national rather than a sectional viewpoint, although their selection from varying geographical centers and co-operation with state highway departments would insure the latter against neglect of local conditions.

"Again, instead of the possibility of a change in policy such as is always possible where the administration changes each four years, we would have a continuing policy, as these men would be appointed in rotating years, thus keeping at the head men constantly informed as to the work at hand.

WATCH YOUR OIL GAUGE

The oil pressure gauge may be a means of determining the condition of engine bearings, because as the bearings wear the pressure drops, owing to the greater freedom of movement of the oil. If the gauge shows low pressure consistently and you know the regulating is all right, suspect bearing wear.

HOW TO FACE VALVE

When valves are badly pitted the operation of facing is best carried out in a lathe. Chuck the valve stem and clean the center of the valve end and support it in the dead center of the tail stock. If the valves are so hard that facing with a tool is impossible, they may be ground with a wheel while in the lathe.

Crooked baseball is a felony in New York state, according to a bill signed by the governor recently. The bill provides that any one offering a bribe to a player to "throw" the game is guilty of a felony, as well as the player who accepts it.

Merchants, Do You Know About This?

Attention of the merchants of Glendale is called to the fact that when they are mailing out statements or other important information to people residing in the La Crescenta and La Canada sections, they should be careful to have the proper rural route and box numbers as simply writing "John Smith, La Crescenta" is insufficient if he does not have a call box at the postoffice there.

BUICK

Authorized Buick Service — Emblem of Satisfaction

BECAUSE of its absolute dependability, Buick is in constant service wherever important work is being done.

If there were nothing else for you to know about Buick—that fact is worth considering when purchasing your new car. Coupled with this dependability in the new 1921 Buick are roominess and riding comfort, easy control and beauty of new streamlines that make it a sound transportation investment. Let us demonstrate the new Buick to you.

Since January 1, regular equipment on all models includes Cord Tires

UNIFORM LAWS FOR MOTOR VEHICLES BEING SOUGHT

LEGISLATION TO BE TAKEN UP FOR CONSIDERATION AT CAPITAL MONDAY

California auto owners will be the first to operate under a motor vehicle act molded along the lines of the national movement toward uniform motor vehicle legislation if the Lea assembly bill passes at Sacramento within the next week.

This bill, according to officials of the Automobile Club of Southern California, who are actively engaged in an attempt to secure its passage, exemplifies the recent attempt made at a national conference at Washington, D. C., to make all state laws throughout America alike in their provisions for the governing of motor-driven vehicles, so that visitors from one state to another would not become confused as at present under the great diversity of such individual state regulations.

The automobile club has been actively engaged in bringing to bear individual expressions from its 56,000 members in the southern part of the state upon legislators at Sacramento by means of a direct appeal through the mails. The reason for this action on the part of the club, according to Secretary Mitchell, is because careful consideration has convinced its board of directors that the proposed motor vehicle act originally introduced by Ira Lee is considered the best possible at the present time and that it will go far toward furthering the general desire of the nation for the uniform law.

All motorists who are not members of the club or of any state organizations are also requested to write their representatives at Sacramento urging them to favor the passage of the bill.

This bill comes up Monday in the assembly committee for final consideration. Local auto owners and officials of the Motor Car Dealers' association as well as members of commercial car organizations are expectantly hoping for favorable action by the committee.

Because of abuse by holders of "courtesy cards" which gave certain motorists in Philadelphia privileges in parking their cars in the business districts, no tickets will be issued by the Department of Public Safety this year.

In Belgium, the three largest automobile factories in the country are at present capable of turning out weekly between twenty-five and thirty finished cars apiece.

The maximum length of a horse-drawn R. F. D. route is fixed by law at 36 miles. The minimum length of a motor rural mail route is fifty miles.

The average salary paid to the chief highway engineers in the forty-eight states is $5372 per annum, the minimum being $3000 and the maximum $10,000.

"There's a Difference in the Way the Liberty Rides and Drives"

Why We Champion the

LIBERTY SIX

Because it is most worthy of representation.

Because the Liberty Six motor, designed and constructed by nationally known Liberty engineers is capable of giving the greatest amount of service to its owners.

Because of the distinct difference in the way the Liberty rides and drives, a difference so marked as to cause frequent comment.

Because we know the Liberty organization to be all that can be desired in strength and ability to produce a worthy automobile.

"There's a Difference in the Way the Liberty Rides and Drives"

Telephone Work Aided By This Novel Truck

A big four-wheel drive truck has just been delivered to the Southern California Telephone company. The truck is equipped with a hole-boring machine, a derrick for lifting the poles in place and a dolly for transporting the poles. In other words, this truck is doing the work of three pieces of machinery. It leaves the yards of the company mornings dragging several poles and upon arrival at the location bores a hole, lifts the pole into place and proceeds to the next location.

This work was formerly done by first a hole-digging gang, then a rigging for setting the poles followed to set the poles in place, which were transported to the job in most cases with great effort by two-wheel drive trucks. The saving to the company alone in number of men required to set a line of poles ten miles long will pay for the truck's original cost.

Hey! Wear 1921 Tag Or Face Arrest, Is Edict From Official

Hang out the 1921 license tag on your auto or—
Arrest!

Superintendent Charles L. Chenu, of the State Motor Vehicle department, issued the edict from Sacramento yesterday. The Los Angeles police department has received it.

All orders for 1921 license plates have been filled, Superintendent Chenu said and in his letter to police departments all over the state he added:

"To display a 1920 license plate from this date on is a misdemeanor punishable by fine or imprisonment. We will thank you for your co-operation."

That's all—take the tip.

Friction Big Factor In Loss Of Power

Automobile engineers agree that friction consumes normally about 20 per cent of the power of an automobile engine. The loss of power, they say, may run as high as 50 per cent, or as low as 10 per cent, with varying conditions. With this fact in mind it is easily seen why proper lubrication is such an important factor in motor car maintenance, since the only way to combat friction is in lubrication.

$2,000,000 FOR HIGHWAYS

Contracts for road building throughout Ontario, calling for expenditure of more than $2,000,000, were recently announced. The work will begin at once to help relieve the unemployment situation.

TOOL SMOOTHES OUT DENTS

A tool has been invented, consisting chiefly of a clamp and a number of padded blocks and rollers, which smoothes dents out of automobile fenders.

Of the passenger automobiles produced in this country for 1921, the present style list shows 56 four-cylinder, 85 six-cylinder, 14 eight-cylinder and three 12-cylinder cars.

Ford

THE UNIVERSAL CAR

Motor with Comfort—In a Ford Sedan

When you ride in a Ford Sedan or Coupe, you ride in comfort—weather holds no fear for you. A minute, and your car is transformed. Windows down, windshield open—the Ford Coupe or Sedan affords the coolness and breeziness of the open car. Windows up, windshield closed—and you are protected from rain, wind, sleet or snow.

And bear this in mind. The Ford Sedan costs you no more than the ordinary open car. In fact, the Ford Sedan costs you less to buy, war tax included, than any touring car manufactured in the United States, except, of course, the Ford. Compare the prices yourself.

Come in—let us show you the Ford Sedan or Coupe. Better get your order in now while prompt delivery is possible. And never forget the matchless "Ford After Service" given Ford owners by Ford dealers means the continuous use of your car.

Insist on genuine FORD PARTS

FORDSON TRACTORS ARE ADAPTED TO MANY SERVICES

SOME FACTS AND FIGURES ON USAGES ARE GIVEN OUT BY THIS EXPERT

"Tractors and pneumatic tires could hardly be suspected of any association, especially since tractors are supposed to require nothing but steel tires belted with steel cleats and spikes, so why use rubber tires in plowing or cultivating?

"But tractor and tire engineers are versatile, as they must necessarily be in industries constantly offering an abundance of complex problems for solution. Not that companies are attempting to fix their tires or tractors to all new inventions merely for the sake of selling their products, but they are continually taking advantage of all opportunities to use their machines for all uses which offers a practical field of service to the consumer," says I. B. Groves, assistant manager of the local branch of the Ford Motor company.

"Just as tire and tractor experts expedited military movements in France by fitting rubber tires to artillery wheels, so have engineers of these two widely different products gotten together and adopted pneumatic tires to the Fordson tractor and by so doing have greatly broadened the field in which both are useful.

"The Fordson tractors are now fitted with Goodyear pneumatic tires, 32x4½ in front and 40x8 in the rear, so equipped, these tractors are performing excellent service in operations heretofore outside the range of tractor utility.

Different Kinds of Service

"For example, pneumatic tired Fordson tractors are now being adapted to the following kinds of service:

"1. In saw mills to haul lumber dollies, dump wagons or picking up odd jobs requiring a tow or a drawbar pull.

"2. Switching railroad cars at docks and moving heavy pieces on skids or rollers. In this service have pulled three loaded freight cars of 150,000 pounds.

"3. General hauling, using regular trailers, pulling loads from five to ten tons.

"4. In logging camps, aiding loaded trucks to reach the main roads.

"In this diversified tractor service, the pneumatic tires help in obtaining traction and permit greater mobility of the tractor. Not only can it be handled to better advantage in difficult positions, but it can travel faster in pulling a load."

In order to reduce traffic congestion on prominent boulevards in Paris, a project is now under consideration for providing moving sidewalks under the highways.

Motor car production is to be undertaken in Australia, to supply a light, medium priced car which can withstand hard usage economically.

DRIVE POLITELY, IS POLICY URGED BY F. W. M'CLELLAN

LOCAL OAKLAND CAR DEALER DISCUSSES BLUE LAW AS SOUGHT IN ILLINOIS

With "Blue Laws" occupying the attention of the country, radical motor legislation has crept into legislative discussions in some quarters. One of the most stringent measures proposed has been referred to a committee of the Illinois state body, and, although even its proponents admit there is little chance of passage or of even slight progress, automobile men and motor car owners may take it as an indication of "how the wind is blowing."

The unusual Illinois auto "blue law" was suggested by a Representative Crudden of Chicago, who seeks to limit the speed of all motor vehicles to eighteen miles an hour by means of an automatic governor such as now control the postoffice mail trucks of the Windy City.

You May Smile, But—

"No regard is shown for the inevitable traffic congestion certain to occur where all vehicles travel at the same speed," says F. W. McClellan, of Green & McClellan, local Oakland Motor Car representative. "Picture for yourself the sight of Michigan avenue, in Chicago, with its thousands and thousands of machines all rolling along at eighteen miles an hour. Big multi-cylindered cars would be unable to pass the humble flivver. A car driving at the maximum rate, high on the crown of a boulevard, would retard all machines behind.

"Of course, we all smile at the prospect of such a law and its effects. But the mere fact that such a measure can find a sponsor and even a small number of supporters seems to indicate that there is now forming a sentiment that may, if permitted encouragement, grow into a commanding force.

"A minute's thought will give any motorist the solution of this problem. It can be expressed in one phrase, which the Oakland Motor Car company has spread throughout the land through its great dealer organization:

" 'Drive Politely.'

"Observance of the speed laws is essential in every community. The infraction of such laws by only a few motorists may mean inconvenience for thousands if laws are made more stringent for the few violators.

They Are Just Straws

"As stated, there's little chance for such blue laws to become national in the immediate future, but their appearance and agitation shows most plainly what is coming unless automobile men and car owners, by discretion, prove to every community that such legislation is not required for public safety.

"Some of the other blue laws that have been advanced in various communities would abolish Sunday driving; prohibit working on cars on Sunday; require full stops before crossing any street in city or town limits. In no instance has success attended the presentation of such laws, but they are straws that show which way the wind blows."

J. W. Gillette Is Glendale Booster

J. W. Gillette, 328 North Brand, a pioneer and who traveled over the site of Glendale long years before the city was ever visualized, is a strong booster for the community.

Mr. Gillette for many years was in the employ of the city of Los Angeles. He is now retired and a resident of Glendale. He has seen Glendale grow from sand and sage brush to a city of paved streets, fine buildings and homes and 16,500 contented people. So the following from his pen is of more than ordinary interest:

THE ELBOWS OF GLENDALE

My name is O. B. Joyful,
That's what I try to be.
I married Cynthia Happiness,
A lucky day for me.
At the spacious elbows of Glendale
We mostly can be found,
If inclined to doubt my story,
Come and see the pretty town.

The man who's discontented here
Is most as hard to please,
As he who blamed the moon,
For skippers in his cheese.
Chuck the folks in the Ford
Come and stay a week or two,
If you yet are discontented,
We have had enough of you.

Fred Butts Going On Fishing Trip

Fred Butts, of the Monarch Auto Supply company, his brother, Horatio, and George Hawkins, of Los Angeles, will leave by automobile this evening for the Sespe river for a two days' fishing trip. The party will return late tomorrow night or Monday morning.

Bees never sting unless they have been offended, says an exchange. How about the political bee?

Four time-shattering records made by a stock car—a Coupe, at that. The greatest test and showing ever made by a strictly stock car in the history of Southern California road tests.

Los Angeles to San Diego,	**132.4 miles,**	**2 hrs. 52 min.**	
Los Angeles to Brawley,	**266.1 miles,**	**7 hrs. 25 min.**	
Brawley to Los Angeles,	**213.3 miles,**	**6 hrs. 26 min. 30**	sec.
L. A. to Brawley to L. A.,	**479.4 miles,**	**13 hrs. 51 min. 30**	sec.

Even Barney Oldfield's San Diego record fell. An average in excess of 45 miles an hour between Los Angeles and San Diego. Maximum estimated speed, 68 miles per hour.

Over steep and twisting Descanso Grade to 4000 feet elevation and down the dangerous Mountain Springs Grade into the desert below sea level. Over almost impassable detours around Mecca with centers axle high, and chuck holes hub-deep, at lightning speed.

Through rain and mist over slippery highways for 103 miles—the Oakland landed in Los Angeles with a perfect score.

Entire run under official timing supervision of the Western Union. Car certified strictly stock. The telegrams tell the story.

What greater test of sustained speed, power, endurance, reliability and perfect road balance could be made by a stock car?

Keep Your Eye on the Oakland. Expect Big Things From It!

Wally Reid Story At Palace Grand

Wally Reid, one of the most popular stars of the screen, comes to the Palace Grand theatre today only in his latest Paramount picture, "The Love Special." This is a big story splendidly pictured, and it is filled with thrills and suspense from start to finish. Agnes Ayres heads a strong supporting company. A two-part comedy surprise also is shown.

Will Rogers, Goldwyn star, will be seen in one of the best character parts he has ever played in "Boys Will Be Boys," a picture taken from the story by Irvin S. Cobb, which comes to the Palace Grand theatre for two days, commencing Sunday.

Rogers has the part of "Peep O'Day," and it is about the adventures that befall him before and after he falls heir to a fortune that the story is based. The action occurs in a little Kentucky village.

"Pretty Lady" is the comedy on the bill tomorrow while "The Rosary," duet for cornets, is the feature overture to be played by the orchestra. "Deenah," "Wyoming" and "Crooning" are the popular numbers on the musical program.

Really, a pessimist is only a person who expects to get the worst of it a little sooner than the rest of us.

Gathers Facts On Traveling Abroad

Information for motorists who may consider traveling in foreign countries at some later date is being acquired by the various touring bureaus of the Automobile Club of Southern California. Here is some of the latest news notes acquired by the club on the subject:

The rate of duty on cars into Africa is 8 per cent of the advertised value. If a car enters Tunisia by the road from Algeria the customs officers will usually allow the vehicle to enter free of duty if the owner declares he only intends to tour—not exceeding six months. This latitude is merely an act of courtesy.

Did you know that roads in Italy are inferior to those in France and that touring south of Naples, Sicily and Sardinia is not recommended? The club either intends to be funny about this or it refers to touring conditions in Africa!

Norway is not regarded as being popular with motorists. Outside of the chief towns motors are not often seen on the highway, and the horses in the country districts, not being used to them, require care in passing. There are numerous fjords, which can only be crossed on small passenger steamers which cannot take motor cars. As duty in that country is based on the value of the car—15 per cent of the value—it is advisable to have a certificate from the makers showing the value.

San Francisco Club Leads Coast League

SAN FRANCISCO, April 9.—San Francisco Seals, with four straight wins over the Portland Beavers, and Los Angeles, with a like score over Seattle, led the Pacific Coast league as the teams went into the first week-end games today.

The Seals took the fourth in a row yesterday, 3 to 2.

While the Seals were beating Portland, Oakland and Salt Lake were busy getting started on the Bees' home grounds. The Bees took the first game these teams have been able to play, 9 to 3.

Sacramento evened things up with the Tigers, with a 7 to 5 victory.

Down at Los Angeles, Seattle gave the Angels a merry race, with the score tied until the ninth. Then Hughes, Angelic pitcher, singled and scored Lindimore, making it 4 to 3 for Los Angeles.

A research worker of Twickenham, England, claims to have achieved the manufacture of synthetic alcohol on a commercial scale at a cost of 5 cents a pint.

Cargo Of Fruit Is Off On Big Journey

REDLANDS — Redlands oranges are now on their way to New Zealand, a carload and a half of local fruit having been shipped to the far-away country this week. They were packed by the Mission Citrus association at Bryn Mawr. The shipment consisted of 700 boxes.

The oranges were packed in cars here and sent by rail to San Francisco. There they will be loaded on a fast steamer direct for Australia.

There are many orange groves in New Zealand now, but not enough fruit is produced to supply the demand.

HIGH SCHOOL TEAM HANGS DEFEAT ON CITRUS UNION

GLENDALE TAKES BALL GAME ON LOCAL GROUNDS BY 6 TO 2 SCORE

(Continued from Page One)

of the seventh. Singles by Terzo and Morgan, a walk to Dennison, and a nifty double by Fruhling accounted for the bell-ringing.

The game was replete with many "boners," as are most high school contests, the fireproof torch being unanimously thrust upon the stalwart shoulders of "Boob" McDonald. In the first inning he refused to hit on a hit-and-run play and also in the seventh, after "Tommy" Morgan had tied "Boob's" "boner" record in the second stanza by tagging a runner who was forced at the plate, he overran second base after that base already had been populated with one runner.

"Pete" Fruhling of the Glendale team was our leading batter, making two doubles in as many times at bat. Citrus' swatsmith proved to be Williams, their rightfielder, who got four clean hits out of four trips to the plate.

Robert M. Yost Tells Fish Story

Robert M. Yost of 201 West Doran street recently returned from a nation-wide business trip in the interests of the Fox Film corporation. While in New York and other points he learned much about the financial situation and tells the following "fish story" as a result:

"A Seattle bank has been backing a fish cannery. Before it realized the financial situation which has stopped all buying in the east, it had about eight million dollars in fish—not money—brought in by a whole fleet of smacks and canned by several great plants.

"The market was dull, but that didn't daunt this bank. It hired a salesmanager and quickly formed a sales-force and started a publicity campaign which will result in the sale of the fish, possibly at a small loss, but the few million fish won't wreck the bank.

At Cheyenne, Wyo., Mr. Yost states that one bank's officials are "hiding out" when any of the stockmen come in for a loan. The bank has 40,000 hides in warehouses—and it can't get anyone to buy them at any price. Conditions similar to those described exist throughout the east, according to Mr. Yost, but the crisis has been passed and he expects a return to normalcy by the first of September.

Until that time, production other than what the Federal Reserve Board terms necessities will be limited as the banks are unable to advance money for non-essential ventures. For this reason motion picture production is limited to the well-organized and independently financed concerns as investigation has revealed sufficient films on the shelves of the exchanges throughout the country to keep the theatres scheduled with new programs until October, Mr. Yost concluded.

FIRST MATCH GAME OF BOWLING GOES TO LOCAL ELKS

JOE FORTUNATO'S PIN STARS DEFEAT REDONDO BEACH ON ALLEYS HERE

The first bowling match of the season was played on the local alleys of the Elks' club last night when the team of that organization, of which Joe Fortunato is captain and manager, met that of Redondo Beach, the Glendale Elks winning all three games of the evening. A large number of Elks and their ladies were present to cheer the local team on to victory. The bowlers and score was as follows:

Redondo Beach

Mason	166	156	191
R. E. Cota	186	123	*115
Regris	158	183	161
A. B. Cota	178	136	161
Kessler	179	141	161
	867	739	789

*Mullen.

Glendale

Apffel	177	179	162
Caswell	157	155	169
Heusman	223	183	222
Holborow	194	130	173
Fortunato	188	144	159
	939	791	885

Heusman Rolls High

Highest individual score for the evening was made by Fred Heusman of No. 1289. One game he rolled 223 and another game 222, the other game being 183, an average of over 209.

Score was kept during the evening by Bert Ward and Walter McKelvey. After the last game lunch was served in the banquet room to members of both teams and fans who were present to cheer the local team.

There will be a game played by the Glendale Elks every Friday. The schedule for the tournament is not yet completed, but it is probable that the next game will not be played on the local alleys.

Spectacular Film Shown At Glendale

Perhaps the most spectacular motion picture of the year is "The Stealers," the William Christy Cabanne eight reel super-special, again shown at the Glendale Theatre last night during its run of three days closing tonight.

Besides possessing a gripping and appealing story, founded on the humanities and, therefore, possessing universal appeal, the film makes motion picture history in that its titles and some of its big scenes are colored. More than 5000 persons appear in at least two of the main scenes. The latest news reels also are shown.

Boy Scouts, Camp Fire Girls and all hikers, amateur kodakers, bird lovers, students of flowers and the great out-of-doors will be interested in "The Call from the Wild," which will be presented at Glendale Theatre for two days beginning Sunday. Anyone who enjoys superb scenery or loves dumb beasts will be filled with admiration.

Aside from the great futureehrdl, Aside from the great feature, Madame Clement plays the usual Sunday evening organ concert at 6:30 o'clock and the latest Mack Sennett comedy, "Made in the Kitchen," and the fourth episode of the "Son of Tarzan" serial will be seen.

RESOLUTION NO. 1180

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD ON THE 26TH DAY OF APRIL, 1921, IN THAT CERTAIN TERRITORY CONTAINED WITHIN THE BOUNDARIES OF PROPOSED MUNICIPAL IMPROVEMENT DISTRICT NO. 4 OF SAID CITY, PROVIDING FOR SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF INCURRING A DEBT BY ISSUANCE OF BONDS OF SUCH DISTRICT FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING WORKS FOR DISTRUBUTING AND SUPPLYING WATER TO THE INHABITANTS OF SUCH DISTRICT, INCLUDING THE ACQUISITION OF LANDS, WATERS, WATER RIGHTS, EASEMENTS, RIGHTS OF WAY, STRUCTURES, PIPES, PIPE LINES, APPARATUS AND ALL OTHER PROPERTY, AND THE CONSTRUCTING OF MAINS, CONDUITS AND OTHER WORKS NECESSARY FOR SUCH PURPOSE; PROVIDING FOR THE ISSUANCE AND SALE OF SUCH BONDS FOR SUCH PURPOSES AND FOR THE LEVYING OF A TAX FOR PAYMENT OF SUCH BONDS; AND ESTABLISHING ELECTION PRECINCTS AND POLLING PLACES IN SAID TERRITORY AND APPOINTING THE OFFICERS OF ELECTION FOR SAID SPECIAL ELECTION.

WHEREAS, On the 3rd day of March, 1921, a petition was filed in the office of the City Clerk of the City of Glendale and ex-officio clerk of the legislative body of said city, to-wit:

The Board of Trustees of said city, requesting that proceedings be taken under the provisions of an act of the Legislature of the State of California entitled, "An Act to Provide for the Formation of Districts Within Municipalities for the Acquisition or Construction of Public Improvements, Works and Public Utilities; for the Issuance, Sale and Payment of Bonds of such Districts to Meet the Cost of Such Improvements, and for the Acquisition or Construction of Such Improvements," approved April 20th, 1915, and amendments thereto, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose, and said petition was signed by not less than ten per cent (10%) of the qualified electors of the territory so proposed to be formed into said Municipal Improvement District No. 4.

WHEREAS, In pursuance of said petition and of the act of April 20th, 1915, the Board of Trustees of the City of Glendale on the 17th day of March, 1921, passed an ordinance designated as "Ordinance No. 431 of said city containing the matters prescribed by said act and declaring the intention of the Board of Trustees to call an election in that part of the City of Glendale contained within the boundaries of said proposed municipal improvement district to be known as Municipal Improvement District No. 4 of the City of Glendale, for the purpose of submitting to the qualified electors of said district the proposition of authorizing the issuance and sale of bonds of such district in the manner provided for in said act, to meet the cost of said proposed improvement and said ordinance was approved and adopted by the Board of Trustees of said City on the 17th day of March, 1921, and was thereafter duly published as provided by law; and,

WHEREAS, No protests had been filed with the said City Clerk on the 31st day of March, 1921, which last named day was the time set in and by said Ordinance No. 431 for the hearing of protests; and,

WHEREAS, No protests were filed or offered, and thereupon the Board of Trustees of said City of Glendale acquired, and now has jurisdiction to proceed further in accordance with the provision of said act;

NOW THEREFORE, the Board of Trustees of the City of Glendale, do resolve as follows, to-wit:

SECTION 1. That a special election be, and the same is hereby called to be held on the 26th day of April, 1921, within proposed Municipal Improvement District No. 4 of the City of Glendale, the exterior boundaries of which district are contained in said ordinance of intention and hereafter described, for the purpose of submitting to the qualified electors in said district the proposition of incurring a debt for the issuance of bonds of such district for the purposes set forth in said ordinance of intention and hereinafter stated: The exterior boundaries of said district being particularly described as follows, to-wit:

Beginning at a point where the northerly Right of Way line of the Pacific Electric Railway is intersected by the Southerly prolongation of the Easterly line of Lot 10 of the Hunter Subdivision of a part of the Rancho San Rafael as per Map of same Recorded in Book 5, Page 395 of Miscellaneous Records of Los Angeles County, California; thence northerly along said southerly prolongation of the easterly line of said Lot 10 and along the easterly lines of Lots 10 and 7 of said Hunter Subdivision and the Northerly prolongation of said Easterly line of said Lot 7 to a line drawn 30 feet northerly from and parallel with the Northerly line of said Lot 7 of said Hunter Subdivision; thence Westerly along said line so drawn 30 feet Northerly from and parallel with the Northerly lines of Lots 7 and 8 of said Hunter Subdivision to the Southerly prolongation of the center line of Grand View Avenue; thence northerly along said Southerly prolongation of said center line of Grand View Avenue and the center line of said Grand View Avenue to the center line of Mountain Street; thence northwesterly along said center line of Mountain Street to its intersection with the westerly boundary line of the City of Glendale; thence southwesterly southeasterly, southwesterly, southeasterly, northeasterly and southeasterly following the various courses of the westerly boundary line of the City of Glendale to a point on said westerly boundary line seven hundred and fifty (750) feet northwesterly measured thereon from the northwesterly line of Tract No. 646, as per map recorded in Book 15, Pages 162 and 163 of Maps, Records of aforementioned County; thence northeasterly in a direct line to the point of beginning.

SECTION 2. The objects and purposes for which said proposed indebtedness is to be incurred are the acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus, and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

SECTION 3. That the estimated cost of said proposed improvement is $30,000.00, that the amount of the rincipal of the indebtedness proposed to be incurred is the sum of $30,000.00 and the rate of interest to be paid on said indebtedness shall be six (6%) per centum per annum, payable semi-annually.

SECTION 4. The polls of said election shall be opened at 6 o'clock a. m. of the day of the election and shall be kept open until 7 o'clock p. m., when the polls shall be closed, except as provided by Section 1164 of the Political Code of the State of California.

SECTION 5. That there shall be printed on the ballots to be used at said special election, in addition to the other matters required by law, the following proposition to be voted on, to-wit:

"Shall that certain proposed Municipal Improvement District known as Municipal Improvement District No. 4 of the City of Glendale, incur a bonded debt of $30,000.00 for the purpose of acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose?"

That opposite the above proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines with voting squares thereafter, and electors shall vote on said proposition by stamping a cross (X) in the voting square after the answer they desire to give.

SECTION 6. For the purpose of holding and conducting said special election, said district as above described shall constitute one election precinct denominated as Special Election Precinct No. 1 and the following polling place in said precinct is hereby designated and the following named election officers therefor are hereby designated, to-wit:

Special Election Precinct No. 1.

All of said Municipal Improvement District No. 4.

Polling Place: Mr. C. Elsperman's Garage, situated on the South Side of Sixth Street between Grand View Avenue and Winchester Avenue. Inspector, Anna M. Asbury; Judge, Mrs. Myrtle Buckman; Clerk, Mrs. Sadie Learned.

SECTION 7. That in all particulars not recited in this resolution, such election shall be held and conducted as provided by law for holding general municipal elections in said City of Glendale.

SECTION 8. The City Clerk shall certify to the passage of this resolution by the Board of Trustees of the City of Glendale and cause the same to be published five times in "The Glendale Evening News," a daily newspaper printed, published and circulated in the City of Glendale.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

ATTEST: J. C. SHERER,
City Clerk of the City of Glendale.

I, J. C. SHERER, City Clerk of the City of Glendale do hereby certify that the foregoing resolution was adopted by the Board of Trustees of the City of Glendale at a regular meeting thereof held on the 7th day of April, 1921.

J. C. SHERER,
City Clerk of the City of Glendale.
